

# WELCOME BACK, SAFELY.

## POKER ROOM RULES

- Masks are required at all times in the poker room.
- Seating will be restricted to a maximum of 7-players per table.
- Plexiglass dividers will be used on all active poker tables.
- Poker tables have been spaced to increase the distance between tables and comply with our social distancing guidelines.
- Poker cards will be removed from play and sanitized every 4 hours.
- All chips returned to the cashier cage will be cleaned.
- Chips in table banks will be cleaned regularly.
- When a player leaves the table, the rail will be cleaned with a sanitizing wipe before seating another player.
- Table and seat changes will not be permitted until further notice.
- Eating is not permitted in the poker room.
- Spectators are not permitted in the poker room.
- Players will be encouraged to keep chip stacks away from the plexiglass to limit the possible confusion with another player's stack.
- All-in and Call buttons will be used.
- Possibly unclear action will be immediately clarified by the dealer.
- Access to the poker room is only available from the casino floor.
- Parking garage elevators will not reach the second floor.
