Dear Valued Client,

Thank you for considering MGM National Harbor as the destination for your monumental moment. We are thrilled to share this special event with you.

Our Outside Catering Packages are designed to accommodate events which require multicultural catering that is unavailable via our in-house culinary team. As a first step, we recommend scheduling time with our catering team to discuss your event needs. Set up a tasting to ensure that you are fully satisfied and that our culinary experience meets your expectations.

If we are unable to provide a multicultural menu that aligns with your event needs, please review the packages and requirements outlined in this document. To get started, here is what you need to know:

Outside caterers are only permitted at MGM National Harbor for specialized cultural events. The outside caterer must be licensed, approved by your MGM National Harbor catering manager and agree to our Hold Harmless Agreement. The outside caterer must also provide a copy of their certificate of insurance at least two weeks prior to the event with MGM National Harbor listed as an additional insured entity. It's the responsibility of the client to pay the outside caterer for services rendered. The catered meal will be presented as a buffet.

All outside catering packages include:

- Use of designated space in MGM National Harbor Banquet Kitchen
- Day of assistance in the kitchen from one of MGM National Harbor Banquet Chef's
- Food Service Equipment for:
 - o Six Hors d'Oeuvres
 - o Four Starters
 - o Four Main Courses
 - o Three Side Dishes
 - o Assorted Breads
 - o Two Desserts

Additional menu items will require an additional fee.

Please ask your catering manager if you have any additional questions. We look forward to hosting your monumental moment.

Best,

MGM National Harbor Catering Team
